Community Standards for Facebook Page Use

Welcome to the Canada VRS Facebook page! Our goal is to create a space where everyone can express themselves and feel seen/heard. We strive to foster a welcoming and engaging environment for all. To ensure a positive experience for everyone, we ask that you follow these standards:

Respect

Respectful Communication

- Be Kind and Courteous: Treat everyone with respect.
- Create a Safe Space: Ensure that everyone feels safe. Bullying of any kind will not be allowed, and degrading comments about race, religion, culture, sexual orientation, gender, or identity are strictly prohibited.

Privacy and Safety

- Respect Privacy: Do not share any personal or sensitive information about yourself or others.
- Keep Private Messages Private: Do not share screenshots of private conversations without the consent of all parties involved.
- Report Suspicious Activity: Be cautious of posts that seem too good to be true and report any suspicious activity to the page admin.

Languages

- Post Appropriate Content: Avoid posting content that is obscene, vulgar, sexually explicit, or otherwise offensive.

- **Respect Intellectual Property:** Share only content that you own or have permission to use. Respect copyrights and intellectual property rights.
- **Be Honest:** Do not impersonate others or misrepresent your identity or affiliations.

Behaviour

- **Encourage Positivity:** Share comments that contribute positively to discussions. Offer help and advice when possible.
- **No Trolling:** Deliberately provoking others to elicit negative reactions is prohibited.
- **Respect Differences:** Engage in constructive discussions, acknowledging that people may have different opinions and perspectives.

Moderation

Relevant Content

- **Stay on Topic:** Ensure your posts and comments are relevant to the community's focus. Off-topic or irrelevant posts may be removed.
- **Avoid Spam:** Refrain from posting irrelevant links, advertisements, or repetitive content, including self-promotion or promotion of external sites, products, or services.

Repeated Offenders

Members who repeatedly violate community standards will face consequences:

- **First Violation: Warning.** You will receive a warning from the page admin through direct message with a reminder of the standards.
- **Second Violation: Second warning.** You will receive a second warning from the page admin through a video call and a reminder of the standards in your first language.
- **Third Violation: Permanent ban.** You will be permanently banned from interaction on the page and reported to Facebook if necessary.

Report Issues

- If you see any inappropriate behaviour or content, report it to the page admin immediately. Your reports help us keep the community safe.

These measures ensure that our community remains a safe and positive space for everyone. We value accountability and growth, but repeated offences will not be tolerated.

By participating on this page, you agree to follow these standards and support us in maintaining a positive, safe, and engaging community for everyone. Thank you for being a part of our Facebook page!
